HKUGA Primary School Annual School Plan 2020-2021

1. School Background

HKUGAPrimary School is a direct subsidized primary school founded by the Hong Kong University Graduates Association Education Foundation (HKUGAEF) since 2002. The HKUGAEF is a registered non-profit organization. It is funded by members of Hong Kong University Graduates Association, graduates of University of Hong Kong and other members of society, and is run by an appointed management committee. The Foundation's objective is to promote the development of education in Hong Kong, and its first project is the establishment of HKUGAPrimary School.

As a DSS school, new models of school management, curriculum framework, student development and staff development have been set up. The School is now in its eighteenth year, it has 24 classes from P1 to P6. There are a total of 746 students and 63 teaching staff. HKUGA College has also been set up in 2006 in Hong Kong South, to provide a 'through-train' education for the graduates of the Primary School.

2. School Vision

We believe that Education is the most important force in shaping the future development of Hong Kong in the era of Knowledge Economy. Foundation Education is the basis from where the child will continue to flourish and develop, so the vision of the Hong Kong University Graduates Association Education Foundation is to set up a new model of quality school in Hong Kong. The essence of the School is qualityfocused and life-enhancing, and it is our goal that the School will become one of the leading primary schools in Hong Kong and China.

In educating the child, we believe in the power of concerted efforts made by school, family, and society. We have a dream that students love going to school and have sweet memories of schooldays, teachers will enhance their professionalism and parents will enjoy their parenting. School should be a place of growth and joy for all stakeholders.

3. School Mission

Our School mission is to:

- nurture lively, inquiring, discerning and creative students.
- develop visionary, caring, innovative, professional teachers.
- contribute to the Education Reforms in Hong Kong.

We firmly believe that the success of our School lies in achieving these guiding principles as the "Four Cornerstones of the School":

- Integration of Passion and Professionalism.
- Integration of the Eastern and Western Cultures.
- Integration of the School and Family.
- Integration of the School and Community.

4. Core Values

In pursuit of our goals, we hold certain core values towards our stakeholders:

- We value each student as an individual;
- We value our teachers as professionals;
- We value parents as our partners;
- We value our school as a learning organization;
- We value the community as our support;
- We care for the environment;
- We value innovation and knowledge;
- We respect laws and standards.

5. Our Commitments

To Our Students

We nurture lively, inquiring, discerning, and creative students.

- They are happy and positive with self-respect and self-confidence, accepting challenges in growth and development;
- They are passionate about life and know how to take care of themselves, their family, their community, their nation and the world;
- They have team spirit, are accepting, co-operative and have leadership;
- They are healthy, have good habits and enjoy sports activities;
- They have a solid language foundation in English, Putonghua and Cantonese, and develop a good reading habit;
- They love learning and exploring, display intellectual curiosity and have broad general knowledge;
- They know how to learn and are able to think and solve problems independently;
- They are creative and show interest in arts, music, literature, sciences or sports.

To Our Teachers

We develop visionary, caring, professional and innovative teachers.

- They care for children and love their work;
- They are sincere, communicate effectively and enjoy working together;
- They are well qualified, coming from different cultures and backgrounds and share the vision of the School;
- The School fosters an atmosphere of respect, trust and mutual understanding, through open, two-way communications, positive encouragement and involvement of staff in formulating the School policies;
- The School provides opportunities for learning as well as professional and career development;
- There are recognition and rewards for excellence in individual and team performance.

6. Major Concerns

<u>A Quality School with Happy and Responsible Learners</u>

- 6.1 Implement a whole-school approach to foster wellbeing through Positive Education
 - 6.1.1 To ensure that new staff members and parents are equipped with the knowledge of Positive Education
 - 6.1.2 To enhance teachers' capacity in fostering wellbeing through Positive Education
 - 6.1.3 To incorporate wellbeing practices into existing curriculum and students' school life.
 - 6.1.4 To engage parents and community to promote Positive Education.
- 6.2 Promote self-regulated learning for development of a learning community of responsible learners
 - 6.2.1 To equip teachers with professional knowledge and skills for embedding self-regulated learning in daily L&T.
 - 6.2.2 To strengthen students' learning motivation and engage them in diversified learning opportunities.
 - 6.2.3 To enhance students' cognitive development through formulation of structured frameworks for generic learning skills development.
 - 6.2.4 To Review and refine current strategies and tools for metacognitive learning to enhance development of selfregulated learning.
