

Agile Ant

By Jay Chan

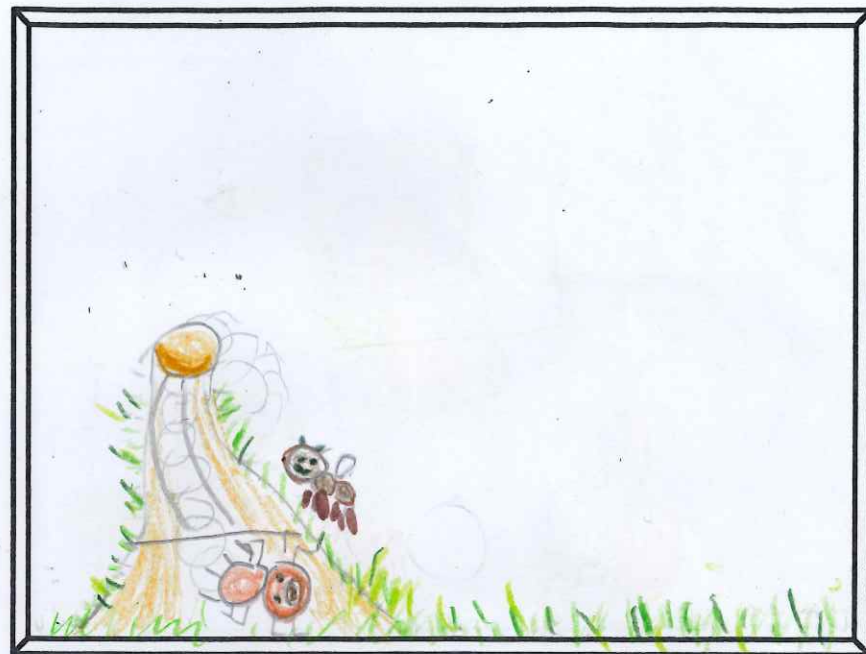

I like your drawing!
Good job!
Mr. Horn

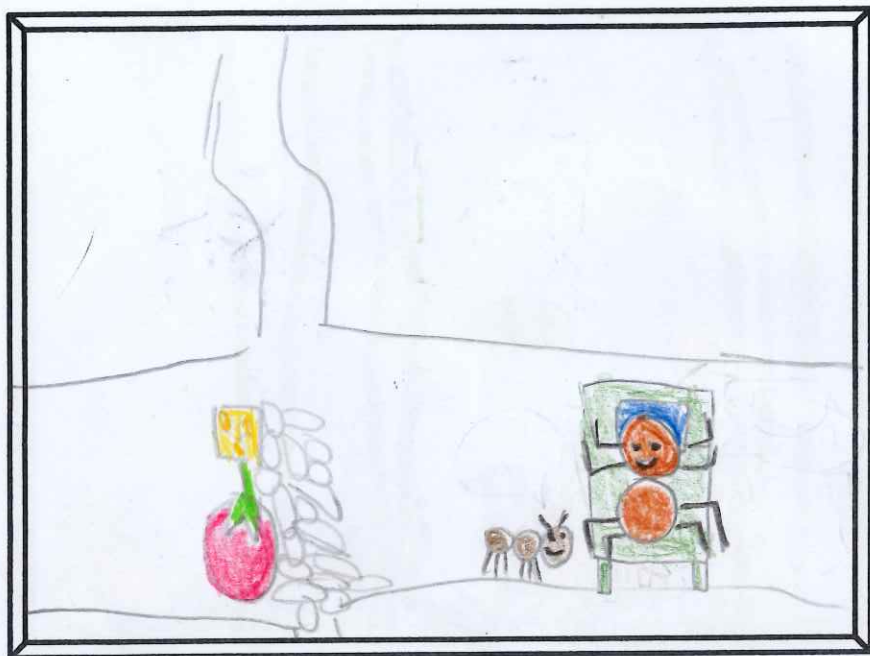

One day Agile Ant
visited his granny
he had a bag of
rice in his basket.

First, Agile Ant met
a spider - a big spider
long-legged spider
"Hello!" said the spider.
"Where are you going?"
"I'm going to see my
old short granny. She lives

in a hole behind those
trees," said Agile Ant.
The spider ran to
Granny's hole. Unluckily
he ate her - and got
into her bed. Then, Agile
Ant reached the hole. He
look at the spider.

"Granny, what big eyes
you have!" said Agile Ant.

"All the better to see
you with!" said the spider.

"Granny, what big nose you
have!" said Agile Ant.

"Granny, what big ears
you have!" said Agile Ant.

"All the better to
hear you with," said the spider.

"Granny, what big web
you have!" said Agile Ant.

"All the better to stak you
with!" shouted the spider.

Luckily, a fat, tall bird
was in the woods.
She heard a loud
scream and flew to
the hole. The bird ate
the spider.

Finally, the spider opened
his mouth to shout
and Granny jumped out.
The spider was in
the bird and never
came out.
