Good job!
Mr. Horn

One day, Clever Cat visited her
grandfather. She had her ice-cream in
her basket.

First, Clever Cat met a ghost
 - a mean ghost, an evil ghost.
 "Hello!" said the ghost. "Where
 are you going?" "I'm going to
 see my old, frail grandfather."

"He lives behind those trees," said
 Clever Cat. The ghost flew to
 grandfather house. Unluckily, he ate him
 and got into his bed. Clever Cat
 reached the house. She looked at the
 ghost.

"Grandfather, what big eyes you
 have!" said Clever Cat. "All the
 better to see you with," said the
 ghost. "Grandfather, what big ears
 you have!" said Clever Cat. "All the
 better to hear you with," said the ghost.

"Grandfather, what big nose you
 have!" said Clever Cat. "All the better to smell you
 with," said the ghost. "Grandfather,
 what big teeth you have!" said Clever
 Cat. "All the better to eat you with
 !" shouted the ghost.

Luckily a brave strong woodcutter
was in the woods. He heard a loud scream
and ran to the house. The woodcutter hit
the ghost over the head. Finally, the ghost
opened his mouth wide to shout and
grandfather jump out. The ghost ran away

and they never saw the ghost again.
