

- Materials**
1. 2 paper plates x 2
 2. colour markers
 3. scissors
 4. 1 plastic cup
 5. tape
 6. 1 popsicle stick
 7. 1 paper

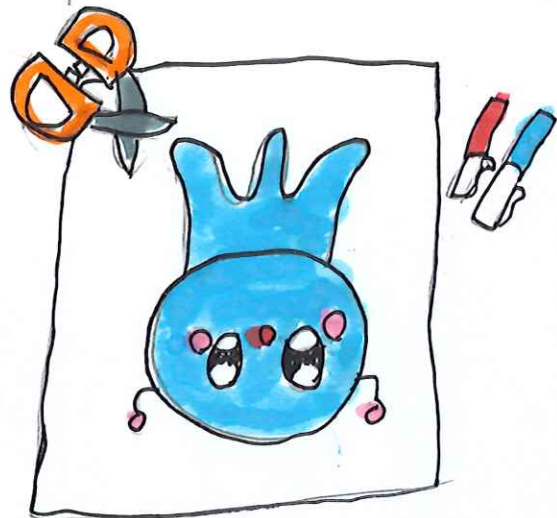

First, use a pencil to trace out your UFO design on the bottom of both plates and colour markers.

Next, stick both plates together so both the outside are showing.

Then, colour and cut out your alien.

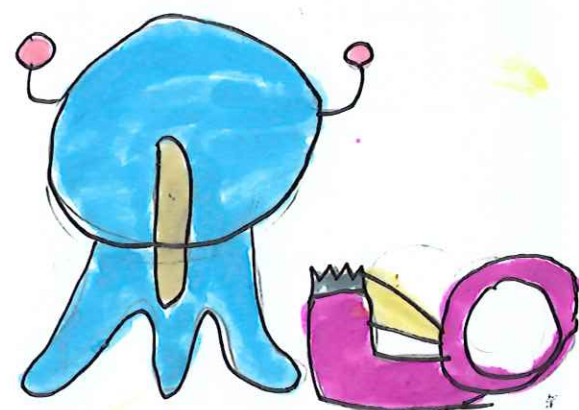

How to Make Alien UFO Craft

Congratulation! The Alien UFO finished!

After that, stick a popsicle stick to its back so it can stand up.

Finally, glue the alien's feet onto the middle of the top of the plate and glue your cup over the top of the alien, so the alien is inside the upside-down cup.
