

How to Make Alien UFO Craft

By Ryan Lin

P.1

Materials

1. two paper plates
2. glue
3. hard paper
4. tape
5. colour pencils
6. colour markers
7. clear plastic cup
8. scissors

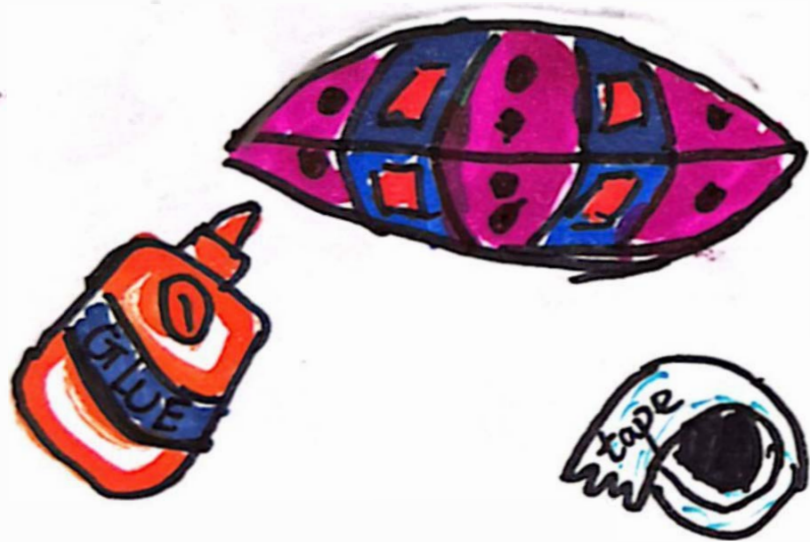

x2

First, decorate and
colour the paper plates
with colour pencils or
markers.

Then, glue or tape the
two paper plates together
so both sides are showing.

Next, draw colour and
cut out an alien from
a piece of hard paper.

After that, stick the feet of the alien onto the paper plate with glue or tape so the alien is standing.

Finally, glue the cup upside down onto the middle of the paper plate (make sure the alien is inside the cup).

Have fun with
your alien UFO
paper plate craft!
