

Osaka VS New York Shooting Game

Rules

1. Use the air cannon to shoot the ball or soldiers.
2. Take turns shooting from behind the shooting line. You have five seconds per turn; if you exceed this time, your turn will be skipped.
3. To win, get the ball into the opponent's castle within one minute.
4. If no one scores within two minutes, the player with more soldiers standing wins. If both have the same number of soldiers, the game is a tie.
5. Have fun and enjoy the game!
