

HOW TO PLAY THE AIR CANNON CHALLENGE

ee

1.

Choose the level that you prefer to play. (You can play other levels afterwards.)

2.

Choose the air cannon / gun according to the level. There will be a symbol under each and every air cannon, indicating which level it belongs to.

3.

Read the instructions on how the game works. There are different instructions for different levels.

4.

After you finish playing, please go to one of our team members and they will give you your well deserved prize.

5.

Last but not least, remember to have fun!

HOW TO USE OUR WEAPONS

ULTRA AIR CANNON

Choose if you want the cap on or not, if you don't screw it off and remember to put on afterwards. First, pull the silver balloon at the bottom the bottle. Then aim at your target, if you're ready let go.

AIR GUN

Take one paper bullet from the box. Then pull the rubber band forward to latch on to the piece of white rolled paper. Then put then paper bullet into the white paper hole. Finally, pull the yellow paper then let go.

COTTON SWAB AIR CANNON

[Team members will be there to assist you.]
