There is a music room.

I can learn music with my friends.

There is a library.

I can read many fun books.

There is a running track.

I can run and play with my
classmates there.

There is a red-brick area.

I can have the flag-raising
ceremony on Monday.

There is a hall.

I can listen to wonderful
lectures with the whole

school.

There is a playground.

I can skip happily with my
friends at recess.
